## CAN LONA

---

A very charming three story town house located on the best spots of Ibiza, right in the middle of Dalt Villa.

On the ground floor there is the living room and open plan kitchen, opening up to the patio garden. On the first floor are the two bedrooms and two bathrooms.

On the second floor is a small laundry room and the roof terrace from where you can enjoy the amazing views over the port of Ibiza town and in the distance the green mountains around.

A lovely home on a very special spot...
